Recent Funding Success: Our grant writers prepared six responses to a New York State RFA (Request for Applications) to provide up to \$150,000 each to qualifying organizations in the state of New York. Of the dozens of responses submitted statewide, only 30 were approved. All six applications submitted by our grant writers—a perfect 100%—were funded.

Not-For-Profit Grant Writers will prepare and submit your response to the NYC Human Resources Administration **Jobs-Plus RFP** (Request for Proposals) that will provide \$25.2 million in funds (over three years) to qualifying providers that possess job-development, placement and training backgrounds. Services will be provided to residents of New York City's public-housing developments. See RFP at:
