- [Market Development Cooperator Program](#)
- [Special American Business Internship Training Program \(SABIT\)](#). A technical assistance initiative of the International Trade Administration of the U.S. Department of Commerce, SABIT offers organizations competitive grants and an opportunity to host industry-specific delegations. SABIT serves as an initial entry point for U.S. businesses seeking funding to establish long-term relationships with potential customers, distributors, or partners in the former Soviet Union. The program trains Eurasian managers and scientists in commonly accepted business practices as a means of facilitating cross border relationships. In turn, these personal relationships serve as a basis for business development and reduce market access barriers for U.S. businesses
