Recent Funding Success: We recently prepared responses to RFPs (Requests for Proposals) securing more than \$68 million to support Early-Learning programs for youth in New York City day-care centers. Our writers also prepared responses to RFPs securing millions of dollars for Universal Pre-Kindergarten programs in childhood-development centers. In one recent NYS competition, for example, all six applications submitted by our grant writers—a perfect 100%—were funded.

Not-For-Profit Grant Writers will prepare your response to the NYS Department of Health EW-PLCCS RFP that will distribute funds to qualifying organizations in geographic areas of New York City with the greatest need. Applicants must register at the grant opportunity portal of NYS Grants Gateway.
