Millions of dollars have been allocated to fund qualified nonprofit organizations to deliver high-quality services in Beacon Community Centers (Beacons) at 76 public-school sites. Beacons serve youth from kindergarten through age 21 and adults ages 22 and older, including seniors. Beacons operate year-round in non-school hours on weekdays, weekends and in the summer, transforming their host schools into a resource for the whole community by offering an integrated range of programming tailored to local needs. For all participants, especially youth, Beacons offer a safe place to engage in recreational activities, discover new interests, acquire skills and find opportunities to contribute to the community, guided and supported by program staff.

DON'T MISS OUT.

We can complete your application by the deadline(s) if you telephone us without delay. With our help, you can meet the deadline(s) and maximize your chances for receiving funding. We have obtained millions of dollars in funds for clients in New York City and around the world, including many in the youth-development field.

TO MEET THE MAY 24 and/or 31 DEADLINE(S), WE MUST HEAR FROM YOU AS SOON AS POSSIBLE TO BEGIN YOUR APPLICATION.
