

# GRANTS TO FUND SUPPORTIVE HOUSING

Millions of dollars are available for housing and homeless-prevention programs in New York City. We maximize your chance of winning an award of substantial funding. Most application deadlines are open-ended. However, open deadlines may be closed at any time when NYC government agency housing requirements are filled. **DON'T MISS OUT.**

## **We Assist to Secure Housing Sites**

We also can refer you to housing developers who can provide letters of intent as proof of site control of housing stock so you can meet this application prerequisite.

The listing of the open supportive housing opportunities in Requests for Proposals appear on the other side of this postcard.

**We can complete your application before opportunities close if you telephone us without delay. Our grant writers have worked for NYC government agencies and the Office of the Mayor. Some writers have developed contract solicitations (RFPs) and also written grants raising money for the agencies.** With our help, you can meet any deadlines and take advantage of open-ended opportunities and maximize your chances for receiving funding. We have secured millions of dollars in funds for clients

around the world, many in the housing and homelessness-prevention fields, including funding for supportive housing for domestic violence victims, vulnerable youth, substance abuse recovery, HIV/AIDS patients, transients and the LGBTQI community.

**TO BEAT THE DEADLINE AND EXPIRATIONS, WE MUST HEAR FROM YOU AND BEGIN YOUR APPLICATION AS SOON AS POSSIBLE.**
