

## GRANTS TO FUND HOUSING & SERVICES FOR ASYLUM SEEKERS

Millions of dollars are available for housing and services for asylum seekers arriving in New York City who are fleeing tyranny, economic collapse and abuse in their home countries. We maximize your chance of winning an award of substantial funding. The need now is critical.

### **We Help Secure Housing Sites**

We also can refer you to housing developers who can provide letters of intent as proof of site control of housing stock so you can propose a shelter site or the NYC government can provide a shelter site for you.

We list some of the other supportive housing opportunities for funding on the other side of this postcard.

See Google "NYCPassport"

Most application deadlines are open-ended. However, open deadlines may be closed at any time when NYC government agency housing requirements are filled. **DON'T MISS OUT. We can complete your application before opportunities close if you telephone us without delay. Our grant writers have worked for NYC government agencies and the Office of the Mayor. Some writers have developed contract solicitations (RFPs) and also written grants raising money for the agencies.** With our help, you can take advantage of the opportunity to provide housing to immigrants and maximize your chances for receiving funding. We have secured millions

of dollars in funds for clients around the world, many in the housing and homelessness-prevention fields, including funding for supportive housing for domestic violence victims, vulnerable youth, substance-abuse recovery, justice-involved populations, HIV/AIDS patients, transients and the LGBTQI community.

**TO BE EARLY IN PROCESSING YOUR REQUEST FOR A FUNDING CONTRACT, WE MUST HEAR FROM YOU AND BEGIN YOUR APPLICATION AS SOON AS POSSIBLE.**
